

Creating an Inclusive Language Guide

Hello, wonderful learners! Language is a powerful tool in fostering inclusivity. In this exercise, we'll create a guide to promote language that is respectful and inclusive.

Instructions:

- Research and compile terms and phrases that promote inclusivity.
- Identify words or phrases that may be offensive or exclusive and suggest alternatives.
- Organise the terms into a guide that can be shared and referenced by your team.
- Encourage feedback and additions to the guide, promoting a collective effort in nurturing inclusivity.

Remember, each exercise and quiz is a step towards making our workplaces more diverse, inclusive, and harmonious.

Happy learning!
