

## Engaging Delivery Drill

### Objective:

Improve your delivery techniques to engage your audience effectively.

### Materials Needed:

- A short pre-written speech (1-2 minutes)
- Recording device (smartphone or camera)

### Instructions:

1. Preparation:
2. Choose or write a short speech on a topic relevant to your field.
3. Recording:
4. Record yourself delivering the speech, focusing on your delivery style, including voice modulation, pacing, and body language.
5. Self-Assessment:
6. Watch the recording and note areas for improvement in your delivery.
7. Practice Round:
8. Incorporate the feedback from your assessment, and record another attempt at the speech.
9. Final Review:
10. Compare the two recordings to assess improvement in your engaging delivery techniques.
